About us

3Spirit is a Skills for Care Centre of Excellence established in 2012 with a strong history of working with employers to deliver the skills to drive innovative, compassionate care and support services.

We work with local authorities, hospitals, care providers, housing organisations, and services from across the private, voluntary, and independent sectors. Our clients strive to achieve “outstanding” and to equip businesses and employees with the skills, knowledge and qualifications for sustainability, growth, and resilience in the face of major incidents.

Our driving force is to impact the communities that we work with to improve quality of life.

PROGRAMME OVERVIEW

Provide Compassionate End of Life Care

Supporting individuals during the final stages of life is one of the most challenging yet rewarding roles in health and social care. Our Certificate in the Principles of End-of-Life Care will give you the skills and knowledge necessary to deliver compassionate care that respects the dignity and wishes of those in need.

Why Choose This Programme?

Remote learning: Study at your own pace with flexible study schedules.

Fully Funded: This course is funded through the Adult Skills Fund (ASF), making it free for eligible learners.

4-Month Completion: Gain your qualification in just 4 months and enhance your career prospects in the care sector.

Nationally Recognised Qualification: Obtain a Certificate from a trusted and recognised provider in health and social care education.

COURSE CRITERIA

- Health and social care professionals involved in palliative or end of life care.
- Individuals considering a career in end of life or palliative care.
- Family members or caregivers supporting loved ones during their final stages of life.
- Anyone who wants to improve their knowledge and skills in providing compassionate care.
- **Open to learners aged 19+** and eligible for ASF funding.
- **Delivered 100%** online over 3 month duration, with access to tutor support and learning materials.

What you will learn:

01

Key principles and aims of end-of-life care.

02

How to provide emotional, psychological, and physical support to individuals.

03

Effective communication with individuals and their families during end-of-life care.

04

Ethical, legal, and professional issues surrounding end of life care.

05

Managing symptoms and discomfort while preserving dignity.

OUR TEAM

Balanced leadership team which blend specialist Care expertise with technical education and training experience, alongside strong governance and operational excellence.

Supported by an exceptional delivery, training and operational team of professionals that embody 3Spirit's values and dedication to providing industry leading support to the Care sector.
